
Testing page item

➤ **Test Cases:**

TC001 - Verify Product Name is Displayed Correctly

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

- **Steps:**

Check the product name matches the item displayed.

- **Expected Result:**

The product name should be "Printed Dress."

TC002 - Verify Product Image is Displayed Correctly

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

- **Steps:**

check the product image is visible and matches the product.

- **Expected Result:**

The product image should be displayed and related to the "Printed dress"

TC003 - Verify Product Price is Displayed

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

- **Steps:**

Check the product price is visible.

- **Expected Result:**

The product price should be correctly displayed on the page.

TC004 - Verify Product description matches the displayed product

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

- **Steps:**

Check the product description is accurate.

- **Expected Result:**

The product description should align with the displayed product.

TC005 - Verify Product availability status

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

- **Steps:**

Check the product Availability status.

- **Expected Result:**

A message like "This product is no longer in stock" should be displayed if the product is unavailable.

TC006 - Verify the Absence of the "Add to Cart" Button for Out-of-Stock Products

- **Preconditions:**

Navigate to the "Printed Dress - My Store" page.

Ensure the product status is "**This product is no longer in stock.**"

- **Steps:**

Look for the "**Add to Cart**" button on the product page.

- **Expected Result:**

The "Add to Cart" button should **not be displayed** since the product is out of stock or it becomes unclickable.

TC007 – User Selects a Color from the Available Options

- **Preconditions:**

Navigate to the **Printed Dress - My Store** page.

- **Steps:**

Select the color "Pink" from the color options.

- **Expected result:**

The product description and image should update to match the **selected pink color** product.
